Dear Mr. Gallagher:

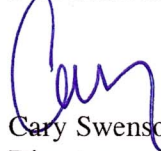

Thank you so much for your participation in the 2007 South Dakota Safety & Health Conference on October 9, 2007, the largest conference ever! Comments from attendees, moderators and exhibitors have been fantastic and full of praise for the entire conference. The response of the attendees to your presentation was equally positive. I especially appreciate you taking the time from your busy schedule to come and speak to the group.

It is because of excellent presenters like you that the South Dakota Safety and Health Conference has earned a reputation for providing quality occupational safety, health and human resource training sessions. We appreciate your support and contribution to the success of the conference. Together, we are "getting connected" in the prevention of incidents and occupational health hazards, and reducing workplace liabilities.

Again, our thanks.

Best regards,

SOUTH DAKOTA SAFETY COUNCIL, INC.
